

ASEAN FOUNDATION

Ilan Asqolani

Head of Programme, ASEAN Foundation

Ilan leads the ASEAN Foundation's programme development and implementation, ensuring that initiatives align with ASEAN's priorities and strategic direction. With a strong focus on youth empowerment, digital upskilling, and education, he plays a key role in shaping impactful programmes that drive regional development.

Before taking on his current role, Ilan managed the ASEAN Foundation-SAP initiatives, which gave him a deep understanding of the intersection between technology, education, and youth development across Southeast Asia.
